SeeBiz	Full Stack Developer / MERN Stack Developer	Nov 2022 - May 2023	6 months

Work History

SeeBiz	Nov 2022 - May 2023 (6 months)
--------	--------------------------------

Full Stack Developer / MERN Stack DeveloperLahore, Pakistan

I was enrolled in the Graduate Training Program at Seebiz Pvt Limited, commencing on November 2, 2022. This program provided me with the opportunity to enhance my programming skills in web development under the guidance of a highly professional team. During the six-month training program, I gained comprehensive knowledge of essential web development technologies, including HTML, CSS, JavaScript, React, and Nodejs. I was assigned various projects, which I completed within the given timeline.

Projects

Web Application	Jul 2022 - Oct 2022 (3 months)
